

# Navy Status of Forces (NSOF)

---

## SYSTEM DESCRIPTION

Navy Status of Forces (NSOF) includes information from the Movement Report data, the Casualty Report and the Status of Resources and Training System (SORTS). The Navy Command Center (NCC) at Chief of Naval Operations (CNO) and the Fleet Command Centers (FCC) at the Commander Atlantic Fleet (COMLANTFLT), Commander Pacific Fleet (COMPACFLT) and Commander, US Navy Europe (COMUSNAVEUR) utilize NSOF data to provide a timely and accurate presentation of assigned assets.

## INTEROPERABILITY CERTIFICATION STATUS

Please refer to the [Joint GCCS Interoperability Status Table](#)
